Proposal Text	Proponent	Mgmt Rec	Voting Policy Rec	Vote Instruction
Approve Plan of Liquidation	Mgmt	For	Refer	For
<i>Voter Rationale: A vote FOR this proposal is warranted given the compelling rationale. It appears that the distributions to be received will provide greater value to shareholders than remaining as a standalone entity given the company's history of poor financial results. Moreover, the incentive structure to the new external manager, which will be responsible for the liquidation process, appears to be aligned with shareholders' interests.</i>				
Adjourn Meeting	Mgmt	For	Refer	For
<i>Voter Rationale: A vote FOR this proposal is warranted given that the underlying plan of liquidation warrants shareholder support.</i>

Proposal Text	Proponent	Mgmt Rec	Voting Policy Rec	Vote Instruction
Approve Merger Agreement	Mgmt	For	Refer	For
<i>Voter Rationale: A vote FOR this transaction is recommended. The offer represents a 27.8 percent premium to the unaffected date, and the cash consideration provides certainty of value to HAR shareholders. Though it appears that Harman could potentially trade for a higher value as a standalone company, the clearly asymmetric downside risk inherent in the rapidly changing sector dynamics suggests that shareholders are better off approving this transaction - particularly as no alternative bids have emerged despite a reasonable termination fee.</i>				
Advisory Vote on Golden Parachutes	Mgmt	For	Refer	Against
<i>Voter Rationale: A vote AGAINST the proposal is warranted. All outstanding equity awards, including performance-based grants made in September 2016 that were originally scheduled to vest over three years, will vest in full in connection with the merger.</i>

<i>Voter Rationale: A vote FOR this resolution is warranted, as a report on the company's efforts to reduce food waste would allow shareholders to assess the effectiveness of the company's food waste programs, as well as provide a better understanding of the company's food waste reduction strategy. Advisory Vote to Ratify Named Executive Officers' Compensation	Mgmt	For	Against	Against
<i>Voter Rationale: A vote AGAINST this proposal is warranted. In connection with entering into a new employment agreement with the combined Johnson Controls International, CEO Molinaroli was granted \$20 million in time-based equity to vest after a 30-month period. This grant was made to avoid the CEO collecting \$41 million in cash severance in connection with his eventual role change to executive chairman. However, the grant is entirely time based and illustrates the unintended consequences of providing overly generous change-in-control severance arrangements. In addition, the Legacy Johnson Controls' incentive program lacks rigor. For the past three years, the company has provided payouts near or at the maximum level despite lagging TSR performance over the same time period.</i>
